

Jack Fetig

OWNER/PRESIDENT
SENIOR DESIGNER/PROJECT MANAGER

Jack and his wife, Chris, founded Alpine Gardens in 1978 to share their love of horticulture with the northern Colorado Community.

Jack's experience in the nursery and landscape industry dates back to 1974, and he is still active in many local industry organizations. Jack loves working with his wife and has raised three boys in the nursery and landscape business for the past 45 years.

Landscapes Handcrafted for Life.

Education:

Bachelor of Science degree in Forest Biology
from Colorado State University

Certifications:

- ✔ Qualified Supervisor License
- ✔ Pesticide Applicators License

Jack received his Bachelor of Science degree in Forest Biology from Colorado State University and also obtained a Qualified Supervisor License and a Pesticide Applicators License from the Colorado Department of Agriculture.

Jack's hobbies include gardening, watercolor painting, wood carving, fishing and hunting. His passion is to create special outdoor spaces for people to enjoy, and to design beautiful landscapes to fit the level of maintenance desired by customers.
